

WEBINAR ANNOUNCEMENT

Public Housing and COVID19

WITH HUD PUBLIC AND INDIAN HOUSING, WA STATE DEPT. OF HEALTH, AND THE CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC) -- SPONSORED BY HUD'S OFFICE OF LEAD HAZARD CONTROL AND HEALTHY HOMES

You Are Invited...

This webinar will focus on protecting individuals residing in HUD Public Housing Authority units. A representative from HUD's Public and Indian Housing, in conjunction with representatives from the CDC and WA State Dept. of Health will deliver presentations on their interim guidance on protecting all the residents if a person with coronavirus infection is present or suspected.

TARGET AUDIENCE: *Public Housing Authority Managers and maintenance staff*

When: May 4, 2020

Time: 4:00 pm to 5:00 pm EST

Registration: Please register here

<https://attendee.gotowebinar.com/register/3060250229327785740>

Advance Questions: Submit advance questions here <https://www.surveymonkey.com/r/NZ8Z3C9>

Panelists: Facilitated by Tara Radosevich, Mgt Analyst, HUD Public and Indian Housing; with Nancy Bernard, WA St. Dept. of Health; and a CDC Representative

We will highlight CDC guidance which provides recommendations on the cleaning and disinfection of households where persons possibly infected, or those with confirmed COVID-19 reside, or may be in self-isolation. It is aimed at limiting the survival of the virus in the environments. These guidelines are focused on household settings and are meant for the property managers and maintenance staff who service buildings where the COVID 19 disease may be present.
